

Tilt Bowl Roller Bar Mixers

CMC Roller Bar Industrial Dough Mixers were among the first Tilt Bowl Roller Bar mixers ever built. Since 1888, CMC's continuous improvement has served the Baking and Food Industries with the best technology and value. Better Agitator-to-Bowl Engineering, as well as Jacket Engineering makes CMC Roller Bar Industrial Dough Mixers....superior by design.

CMC America, Triple Roller Bar Mixers are widely used to Produce Superior Fresh or Frozen:

Breads
Rolls
English Muffins

Flour Tortillas
Bagels
Buns

Croissants
Pizza
Donuts
