# TWIST TIES CUT TIES

Bedford cut ties provide strong gripping power. The centered steel wire is encased to resist rust which is a feature exclusive to Bedford ties. They are flush-cut which makes them safe and easy to handle.

## **PAPER - SINGLE WIRE:**

Our paper cut ties can be baked, boiled, or frozen without delamination. These inexpensive, tough paper ties lower inventory costs and are easily warehoused.

**Lengths:** 3-1/2", 4", 5", 6", 7", 8", 9", 10", 11", 12", Longer lengths up to 99"

Standard Colors: Red, Blue, Green, Yellow, White, Orange, Red Stripe

Non-Standard Colors: Tan, Brown, Black, Pink, Purple, Gray, Green Stripe, Blue Stripe

**Paper ties can be custom-printed!** See pages 31-34 (ID Twist Ties) for more information, or give us a call. **Color-matching ties to your packaging is also available!** 

## **PLASTIC - SINGLE WIRE:**

Plastic ties are perfect for applications where strength and durability are essential. Whether boiling or freezing these ties, they will seal your package or grip your bundle -- over and over again.

**Lengths:** 3-1/2", 4", 5", 6", 7", 8", 9", 10", 11", 12", Longer lengths up to 99"

Standard Colors: Red, Blue, Green, Yellow, White, Black

Non-Standard Colors: Orange, Tan, Brown, Pink, Purple, Gray, Clear
